Interactive Lifting Teaching Stations

Lifting Option

You asked, we delivered - our new look teaching station!
Some schools have requested:

- A larger TV screen.
- A more lightweight option that can be easily moved by children.
- More security with the option to hide the LCD screen from prying eyes.

Thus the new look teaching station comes with:

- 40" LCD TV screen
- 2 sliding shelves to cater for left and right handed
- New look frame - lighter and more mobile
- 4 way Powerboard
- Lockable wheels
- Pinboard back (this can be upgraded to a magnetic whiteboard on request)
- Optional DVD player
